

Name: Feras Khemakhem

Citations:

“The mesh was initially created using Cosmic Blobs software developed by Dassault Systemes SolidWorks Corp.”

Highest Stage Completed:

The end of Stage 2 😊

Bonus?:

Only the first GPU implementation bonus, but I only have 1 cheb!

Other Notes:

- Press “q” to toggle between GPU and CPU implementation
- Press “b” to toggle between showing bones and not showing bones
- Thank you 😊
